### **Upcoming Elections:**

November 5th is our election for Club officers. The meeting will begin at 2:00pm at Rosie's Family Diner in St. Clair Shores, 31301 Harper Rd. If you are interested in running for a position, please attend the November meeting and ask someone to nominate you. Refer to your copy of the by-laws for the criteria and remember, you must be an active member to run for office or vote. This includes having attended 5 meetings in the current year and worked at least one of the expos through helping with mailings, helping with vendor or club set up, as Jeffery could use all the help offered. If any member is running unopposed, the office will be granted to the nominated individual. Good Luck to all.

### **Holiday Meeting:**

Our December meeting will be held at the Golden Chopstick in St. Clair Shores on Jefferson between 9 & 10 Mile Rds. Our meeting will begin at 2:00pm. The voting tallies will be revealed at that time and our new officers will be assuming their positions for 2012. If you wish to attend, please RSVP to Lori Kanas so she can let the restaurant know approximately how many to expect.

We would like to welcome our new website manager, Richard Robbins. We are excited to see what types of changes and updates he will be making to our site.

### **Education Forum:**

Fall squash are an excellent source of many vitamins for our birds, raw or cooked. You could bake pumpkin seeds or wash them and give them raw. Include any meat you cut away from carving your designs. They can also be given cooked or raw. Share your zucchini breads, pumpkin breads, or banana breads and while your preparing them for baking, make a few for you feathered companions by adding some of their pellets or seeds to the mix. Use the mini cupcake pan for small ones and freeze them until you're ready for give them out. What a wonderful treat for them!

Whether enjoying the cider mills, corn mazes, hay rides or Halloween have a safe and fun time to all of you participating in the season's activities.
